

Operations / Customer Services

We are looking for an enthusiastic person to work full-time in our friendly and busy office to manage our overnight pallet delivery section of the business.

The role will include customer services, allocating work to drivers and help in all areas of operations. Our ideal candidate will be well organised, have good I.T. skills, a professional and friendly telephone manner, and able to multi-task whilst having attention to detail.

Experience in road transport is essential with good people management skills and a sound knowledge of the surrounding areas.

Fork lift experience is preferable.

Good salary, holiday and bonus scheme.
